PROCEEDINGS: IN CHAMBERS - SCHEDULING ORDER

The Court has reviewed the parties' Joint Rule 26(f) Report (Docket No. 19), and finds it can set the schedule in this matter without hearing further statements from the parties. As per C.D. Cal. L.R. 7-15, the December 19, 2024 scheduling conference date is taken off calendar. This action appears to be a fairly standard copyright/trademark infringement and Lanham Act/unfair competition lawsuit arising out of the alleged unauthorized copying of Plaintiff's fashion-print designs. The case was filed on May 31, 2024.

The Court sets the following dates:

1. The parties are free to amend pleadings under Fed. R. Civ. P. 15 up to January 17, 2025. Thereafter, any further amendments must be made by motion under Rule 16 or otherwise by order of the Court.
2. A post-mediation status conference is set for June 12, 2025 at 8:30 a.m., with mediation to be completed by June 9. The parties have indicated a preference to mediate with a private mediation provider. The parties will make arrangements so that the mediation can be completed by June 9 and a joint report filed with the Court by June 10.
3. All regular discovery will be completed by June 20, 2025. By "completed," the Court means that said discovery requests must be served sufficiently early such that a motion to compel (if necessary) can be filed, heard and complied with before the cut-off date.
4. All expert discovery will be "completed" (as described above) by July 18, 2025. The parties are to meet and agree in writing as to when initial expert reports will be exchanged and rebuttal expert reports thereafter.
5. The last day for the Court to hear any motions (other than motions in limine which will be heard at
